“ Natasha, Cory and Jeff, I am shocked and saddened to hear of your father's passing. I've known your dad for 45 years when I started at the bank on Ottawa St. I considered him a friend and we had many great conversations. Me teasing him about his "tail" and the two of us arguing about who was the biggest Beatles fan. Don always talk proudly about his children and I know that he absolutely adored his grandchildren and always told me how much he enjoyed his time with them. He always was good natured and had a smile on his face. I'm sorry to hear that your mother passed away last year. That must have been very hard for your dad. My thoughts and prayers go out to all of you. May they Rest In Peace.

“ I was able to spend time with Donnie and his daughter Natasha during his last clinic visit where I work. Glad I had that time with him, that I could make him laugh, and give him a hug.

Donnie and Gloria are now reunited

“ I'm so happy that I was able to spend some time with Donnie during my last visit to Hamilton. He was always so nice to me and pleasant to be around. I have faith that he has been reunited with Gloria. Rest in Peace cousin.
