“ Linda, Brenda and Sandi:

I am very sorry to hear about your Mom. It is awful losing your parents-it makes you I feel like an orphan.

There is not a day that goes by that I don't think of something my Mom or Dad said or something that we did together. So many times I have wanted to pick up the phone and call my mother-she had a memory like an elephant. I miss them both very much.

I have many happy memories of spending summer holidays on your farm. I used to run into you Mom a lot on the city bus and I think she enjoyed my visits with her at Freeport 13 years ago.

May you remember the happy times that you had together.

Love Maureen (Walter) Rodrigue
or as your Mom called me - Renee
