Whenever I am hurt, I will drive on. Whenever I am brought low , I will rise.
That is not because I am virtuous, strong, resilient, it is simply because my father

“ *Susan, I was saddened to hear of Errol's passing, he was a very likable person
and was so very gracious to make everyone feel important. When I started
working for you at the Township it was Errol that always took the time to say hello
when he dropped in and at any social function he never felt that it was beneath
him to speak to the so called common folk. Wishing you God's kindness and love.

“ Errol was often a guinea pig in his medical life, but being a guinea pig allowed him to become a cat. He was my resource at the horse races. And, yes, he did always have a twinkle in his eye. He will be remembered fondly.

“ "The Duke " was a very special guy. I have a suitcase full of superb memories of an amazing athlete and gentleman.
Errol and I bonded as close friends at a tournament in 1966,
I lost a great friend.

Errol was perhaps the most congenial, & charismatic character that I've met in the last 80 years. We shared many great moments on the lake, in the field and at the poker table.

Errol should have been a movie star!
