“ Our sympathy to the Hafemann family. Adolph was a gentle person and always a gentleman. We enjoyed working with him making Board of Trade Mother's Day Dinners of sausage and then fish and helping with other volunteer positions. Adolph loved big bands and enjoyed dancing at various dances, especially Valentines Balls previously held in the community centre. He was a customer of ours, as we were a customer at his grocery store. He was always busy with his own interests but still found the time to serve others. He was an icon in the community and will be missed.
