“ *So sorry to hear of the loss of cousin Barbara. I remember when she went to visit my Mom, Winnie Julia Curzon in Kitchener many years ago. Thanks to her we now have a copy of a picture of our Great Grandparents William and Mary Jane Riley, and a photo of their sons. A treasure we would never have seen if not for her ...*

“ *Sorry to hear about the loss of your mom. I remember many years ago when they owned the Fergus Burger Stop that your mom taught me lots. Enjoyed my time when I was working there.*

“ *Barb had the biggest heart! Just a few years ago she knit 100 scarves for the homeless. For many years she knit clothing and blankets for those less fortunate. She was always an encouragement to me, and very kind to my family. She volunteered at the food bank for many years and could work circles around the rest of us. Such a great friend! Barb you will be missed!*

“ One of my fondest memories of Barbara and Lloyd was one time when we boarded skaters. They had dropped in and were sitting at the kitchen table and Mom introduced them to the skater. Later something was said about their family and the skater said, "What they have children, I thought they were newly weds." Very nice for people who had been married close to 20 years. Still makes me smile. God bless each of you and enjoy the legacy.

“ McDougall family,

*Keep the memories close. Aunt Barb was a second Grandma to me. We always enjoyed going to the cottage to be with her and Cecil.*
