“ *Wilbur an family.... I have been thinking of you so much, wish I could be there for you, but know I am in spirit. We have had a lot of memories to share, our trips to Germany an Canada. So much joy an laughter. I have dishcloth's all over my house as I use many of them for doilies. She was one sweet lady an I loved her very much. I sure will miss those pig tails! I love you all. “ *We're going to miss Aunt Betty so much. Coffee pot always running, great smells coming from the kitchen, a knitting project always going. I remember as a child running in and out of the house while my mom and Aunt Betty would sit in the dining room talking about projects and looking at her yarn stash.....never really knew where all that yarn was stashed :-)* She always held it all together for everyone and saved the tears that we were heading home until we were on our way. I was honored to be flower girl when she joined our family, it really seemed like she was always part of our family. She leaves a big, warm, loving hole that we will all fill with hugs and stories and doing good things for others, just like she always did. Much love to Uncle Wib, Michael & Carrie, Peter, Julie & Andre, and all the girls. We hope to see you soon! Pauline & Ken
