“ *Ron, David & Cindy, Mary & Ian, Ann & Tom & family, I am deeply saddened to here of the death of Carol. She had such a vibrant sense of humour I loved our times together and how we would make us both laugh. I will always remember when she would poke her head in the visitation room and ask if I had seen her boyfriend Ron around.*

May her humour and the fun times give you some comfort at this most difficult time.

“ *My deepest sympathy to Carol's family. I knew Carol from her school days in Guelph when I lived about a block from the Kloepfer family home. Shortly after I moved to London I had the pleasure of meeting Carol. She was a nurse at St Joseph's Hospital when my son was born there. I last spoke with her at a Cote' family funeral in Kitchener.*

I always found her to be a pleasant person who was a natural for her Nursing vocation. Carol and her loved ones will be in my thoughts and prayers.
