“ Cliff was our neighbour in our first house, offering invaluable advice and support. We fondly remember talking over our fence for hours. He was always kind and helpful. Rest in peace, Cliff.

“ Cliff was a good neighbour for many years. Our children grew up with tractor rides and help with projects like fabricating soapboxes for derbys. He was a confirmation sponsor and we valued him. We were not close in the last years but we remember fondly those early years. Rest in peace Cliff.
