“ *Bev and Barry,  
I am so sorry to hear of the passing of your Dad. He was always so kind to me and I remember fondly many good times at the cottage and snowmobiling. I dropped in to see him at the cottage some years ago and we had a great visit. You and your families are in my thoughts.*

“ We, the Kaufman family, are sorry to hear the passing of a very good friend of our dad, Ken Kaufman. We remember that the two met in grade school and were good "chums", and later friends as couples, and family friends. Snowmobiling, cottaging, card playing...and so much more!  
He was a very kind friend to our dad.  
They shared the same birthday, and they both passed in the month of March, 2 days apart from one another, and 2 years. How beautiful.

*With comforting memories,  
Mark, Tim, Diane and Stephen*

“ *We send our heartfelt sympathy to Cyril's family. I have many fond memories of my cousin, Cyril. One that has stayed with me over the years is when my twin sisters were born in 1949. Cyril and Laurie had just bought a new car and Cyril drove my parents home with the babies. May your memories bring you comfort.*
