“ I'm not entirely sure I can express and share all of my memories I have with my Nana, there are far too many wonderful and funny memories we shared..and boy did she ever make me laugh. She was such a funny and loving person, I can still here her laugh everyday... when I Wasn't having the greatest of days I would just call my Nana up and she would cheer me up without even knowing I needed it just because she was just that awesome! She had such a big heart and loved her entire family no matter what! She was and always will be such a special person to me and I will never forget all our wonderful and funny memories we shared. I love you always and forever Nana xoxo

“ *We as a family have always been there for each other. This was because of our mom, she was always there for her family and we knew that. We have lost the most amazing mother,grandmother,great grandmother,wife,sister and friend.I will always hurt and miss her as she was also my best friend but I will get thru this because even tho she is gone I am so fortunate to have had her as long ss I (WE) did. I know there is a lot of people who ccould not and would not ever have a woman like her in their life and I appreciate how lucky I was.*

ALWAYS AND FOREVER IN MY HEART

P.S WILL ALWAYS HAVE FRESH FLOWERS IN THE HOUSE FOR YOU MOM

LOVE YOU
