“ My fondest memory of Diane has to be, one time we were having a Halloween party at my dad's bar and I had no clue what to dress as. I went to they're house at the time in Dorking to pick them up, I asked her for ideas and she said she would do something but I couldn't look till she was done. Well as she kept painting my face as I asked what she was painting she said an Indian warrior. Well when she was done I looked in the mirror my gace was painted as a clown, we had a great laugh, she loaned me a wig, needless to say I won the best costume that night. Diane was the most caring, kind person I ever met. She will be greatly missed by all of us that had the pleasure of meeting her

“ I met Diane approx. 15 or more years ago when she owned a store uptown Palmerston. Right away we connected. I remember being so fascinated with her in her long black hair, wisdom and uniqueness. She had a way with making you feel loved special and beautiful. She used to tell me I was the most beautiful girl she ever saw and that always made my day! I remember her showing me this trick with the little family that lived in a piece of paper, she would throw them up in the air and then made this sound to make it sound like they landed. I was enthralled and thought that was the coolest thing I ever did see and had me second guessing if there was some sort of weird magic going on lol. Later when I had my son there where many times Diane and Gator got me things to help me out like the cutest little leather hat. One time Diane and Gator chose me as the recipient of sooo many groceries which Diane did many times for many different people. She kept me fed for a solid month that year. I will miss her so much, and my hear goes out to Gator and her family.  
Goodbye just for now my friend. So much love to you all

“ *My First Christmas In Heaven*

*I see the countless Christmas trees around the world below,  
With tiny lights, like Heaven's stars reflecting on the snow,  
The sight is so spectacular, please wipe that tear,  
For I am spending Christmas  
with JESUS CHRIST this year.*

*I hear the many Christmas songs that people hold so dear,  
But the sounds of music can't compare with  
the Christmas choir up here,  
I have no words to tell you of the joy their voices bring,  
For it is beyond description to hear the angels sing.*

*I know how much you miss me,  
I see the pain inside your heart,  
But I'm not so far away, we really aren't apart,  
So be happy for me, dear ones, you know I hold you near,  
And be glad that I am spending Christmas with  
JESUS CHRIST this year.*

*I send you each a special gift from my heavenly home above,  
I send you each a memory of my undying love,  
After all, love is a gift more precious than pure gold,  
It was always more important in the stories Jesus told,*

*Please love and keep each other as my father said to do,  
For I can count the blessings of love He has for you.  
So have a Merry Christmas and wipe away that tear,  
Remember I'm spending Christmas  
with JESUS CHRIST this year.*
