“ *Dear Marie and family: We want to express our condolences to you and your family at this time, with such an intense personal loss. It is hard to find a man with more gentleness and peacefulness than our brother-in-law Earl. His interest in life and serving our Lord was an example to all of us.*

His natural gift and curiosity in anything mechanical and/or electrical was endless. He was capable of solving problems and applying practical applications where possible. Then: Who can forget his chuckle and the sparkle in his eyes while sharing this? He will be greatly missed by everyone who had the benefit and joy of knowing him.

May our Lord comfort and bless you Marie and all your children as well as your extended family.

Sorry we could not be with you in person, but we hold you in our thoughts and prayers. From across the country in B.C.

What a great photo of your father. Your likeness to him is evident. May he rest in peace and may your family know he is in a better place.
