“ *Dear Yvonne and family,  
You are in my thoughts and prayers at this time. It has been a long time since we worked together but I do remember meeting your parents at that time. The world is a better place because he lived and set an example to everyone he met.

“ *Dear Cousins,  
Remembering all those great times on the farm, especially in the summer. We had lots of great times together playing in the barn and out in the fields helping with the harvest. I am forever grateful for my Mom and Dad who showed us that family was important. Uncle Ed and Aunt Doris always made us feel welcomed on the farm.  
We have lost a great man of God. May you feel the paryers of friends and family as you journey through this time of grief.

“ Uncle Ed was a wonderful man and loved to share conversation and stories with everyone. He was a wonderful listener too. Always concerned how I was doing since David's passing...they'll probably have a good time sharing with all those family members who were waiting at Heaven's door for him. We have lost a great man and heaven has gained another angel. Rest in peace.
