

Edward Reimer

March 1, 1952 - October 15, 2021

REIMER, Edward-Edward passed away on Friday October 15, 2021. After a year-long battle with cancer, Ed leaves us peacefully, surrounded by his family. He leaves behind his loving wife, Norma, his children; Michael, Nicole, Alison and Eric, and grandchildren Charles, Henry, Riley, Luke and Jack. His parents raised him to be an amazing older big brother, always taking care of his siblings; Annemarie, George (Linda) Margaret, Rudy (Audrey), Debbie (Gerry), and Sue (Mike). Ed also leaves behind many loving family members, including aunts, uncles, cousins, nieces and nephews. Ed enjoyed spending time with his family, and always taking a keen interest in his grandkid's hobbies. Bey blade battles, slot car racing, video games and so much more were always a much anticipated event with Opa. He was an active member of the KW Garrison Can-Am R/C Tank Club and the Northlands International Raceway, making many friends along the way. Like his father, Ed was also an amazing builder and always enjoyed having a project on the go. No project was too big or too small, whether it was a large scale home renovation, or a special keepsake for each of his grandchildren. Truly a man of many talents with a great sense of humor and zest for life, he will fondly be remembered by all who knew him. “ *I am sorry to learn of Ed's passing. I remember Ed from the late 70's. Ed always had a smile and a kind word to share. I know Ed's passing will be deeply felt by the Reimer family. May fond memories give you comfort. My thoughts and prayers are with you all. Take care, Karen Cassidy*

Karen Cassidy - October 30, 2021 at 05:26 PM

“ *Ed was one of a kind, a true soul to his beliefs and his love for life. I always enjoyed talking with Ed as he had a great sense of humour along with his easy going disposition and respect for nature. He was genuine and always made my day when we chatted in my driveway. I may of only been his neighbour but I sure will miss him. Godbless to Norma and his family. My deepest sympathies. Rhonda*

“ *Lots of good memories of working with Ed at NCR back in the 80's-90's. His smile and easy manner were a delight to be around in the workplace. My condolences to Norma and the family. Carolyn Moore*

“ From the moment we met in the early 1980's, we both knew we would be friends. It didn't take long to realize we shared a love of cars and everything automotive that would cement our relationship, but it was that constant sense of humour that made you want to be around him as much as possible. Ed had a heart as big as his smile, and you always felt good being with him. To the entire Reimer family, and his beloved wife Norma, you are all in my thoughts and prayers. We have truly lost one of the best. RIP Ed, a dear friend.

“ *In this photo, there are only 6 of us, but that number grew to 28 parents, as we all gathered at the Reimers every Friday night to eat and joke and laugh and talk and sing. Thank you, Ed and Reimer family for such wonderful hospitality in our growing up years. As kids of immigrant parents, we might have been poor, but we were rich in family love.*

We will never forget you, Ed!

AR

A great photo! Thank you!

Annemarie Reimer - October 20, 2021 at 10:52 AM

HG

unfortunately not put in quite correctly: I had said "that number grew to 28 kids as we, with our parents, all gathered..."

Helen Griebeling - October 24, 2021 at 11:23 AM

“ To one of my best friends I say thank you Ed.

Without him, the KW field never would have been built. The time and dedication both he and Norma put in is beyond measure. He was a great friend, a wonderful human being and without him this club will be much poorer and I shall miss him terribly...

I will see you soon, but not quite yet....

RIP...

“ I only knew Ed starting in early 2016, but during the following years I was honoured to be able to call him a good friend. Ed had a wonderful wry wit and sense of humour that was infectious, and was accompanied by that smile.

Ed put in countless hours towards his passions such as with the RC Tank Club, where he was infamous for his "weed-wacker prowess" and his un-touchable King Tiger tank. His devotion to Norma eclipsed all of that however.

Ed was a wonderful person. Goodbye my friend, you will be sorely missed.
