“ Micki & I send our Deepest Condolences to all the Family, planned on coming up to-day but do to road conditions between here and Perth east ,snow squalls and having to get back tonight with family coming decided not to take the risk, I remember going and staying at the farm & having good times with Ray,John & Eddie, Elaine was always around, would see her at the gatherings of us young folks on weekends that I would go to the Stratford area, then their was a time we grew up, had our families then got to met Elaine again while having many visits with our best friends Pat & Ed, you all have been in our thoughts & prayers the past few days, she will be missed by Larry,children & grandchildren, Hugs Orval & Micki

“ *I was fortunate to re-connect with Elaine after many years; as, my brother Keith moved in across the street from Elaine and Larry. We reminisced on days gone by as we grew up down the road from each other, went to the same school and our fathers were also good friends. We shared laughter, heart felt conversations and spent time catching up.
I looked forward to seeing Elaine when I was in town.
May you soar on wings like eagles,
Run and not grow weary...
Rest In Peace Elaine.*
