“ You all have my sympathy. I have lots of good memories of Elmer, both at church and in the shop. He was a great guy and very helpful to customers. You, Larry, did a great job of following in his footsteps. Dorothy was also a wonderful friend and I'm sure a great mother and grandmother. It is hard to think of her as she is now. Treasure the memories of them.

“ So sorry for your loss and As a neighbor for 50 years I have many great memories of all the conversations and help and laughs he provided over the years. Everything from my finger being sewn back together after he let me tryout a used snowblower to looking at the original shop clock that I obtained from Larry when the shop closed.

To Marjorie, and the rest of the family, Dorothy and your children, you have my sympathy. John and Florence were our neighbours in Gadshill, many years ago, so got to know some of the family then.
