“ *We will miss our good friend and neighbour Elmer
We will always remember him with his dandelion puller, mowing the
lawn with his ear muffs on, tilling the garden and always a part of
the neighbour hood Horseshoe tournament.
Thinking of you all.

“ I can recall Elmer and Esther visiting the Wolf farm for a family event. Elmer kept a careful eye on the grandchildren, watching them interact. He would exchange his observations with Georg but often the conversation came back to farming and love of the land. My hope and comfort is that they continue such a conversation in heavenly peace watching over us all. Esther and family, we hope you find comfort in knowing that we have fond memories of Elmer as well. Marita (Wolf) and Mark Smith
