“ *Sorry to hear the news.*

*We spent last Sun. afternoon with Norm & Sharon and listened to stories about the Albrecht family. It sounds like you had so many wonderful times together and I know that family was so important to Erma. Sharon also shared the stories/memories from the grandchildren. Again, I was moved by the sincerity and humour and I'm sure they all realize what a wonderful grandma she was. And she did a good job of raising you kids too-with help from dad, of course.*

*I always remember Erma as having such a nice warm smile. She had a very gentle, sincere spirit. She'll be missed but it is wonderful to have so many awesome memories of a great lady!*

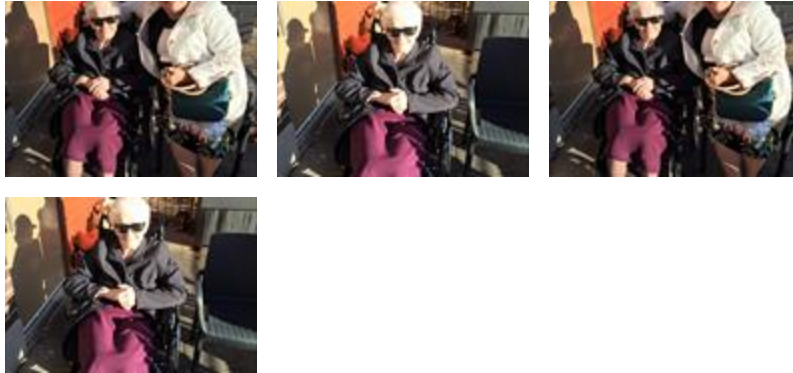

*Love and prayers,*

“ Your mom was such a lovely woman. Glad we had the blessed opportunity to be in Ermas company on several special family occasions. You are all a reflection of your mom and grandma in the way you treat other people with respect and empathy. Not to mention the way you make each and every person feel loved. We are so very sorry for your loss. Cherish your memories and speak of her often.

*Sharon I will always remember what you and your mom share. Her beautiful smile!*

*Hugs and prayers my friend.*

“ Never could have asked for a more compassionate, caring and loving Mother-in-law. Mom (Erma) made me feel like her own daughter and never made it difficult for me to call her "mom". I'll miss her dearly but am happy her faith strengthened us all! God Bless you mom! Watch over us. Ramona
