“ *As a caregiver of Frances, she always challenged me to work hard and to be the best PSW I could be. We shared many memories, sarcastic remarks, the latest gossip, our love for crafts and creative ideas. Frances was witty; she always had something smart up her sleeve to say, and she knew I wasn't much further behind her with my smart remark. She shared a special bond and I am honoured to have had the pleasure of knowing her. I'm heartbroken to hear of the loss of such a spunky soul. Greatest sympathy and much love XO.*
