“ I am so sorry for everyone's loss. George was such a lovely person. I remember near his 95th birthday I asked him about his life and how he got to live to 95 and be so well he said that growing up on the farm, working hard and eating good food was the secret. He always loved to talk about his family, often showing me photos of his family (he loved the album of the road trip out west!) whenever someone sent him a card or a photo of their family he showed it off. he was so proud of all of his family. Truly a wonderful person - he will be so missed.

“ Dear Mary Ann and family,

I never met George personally, but over the years you have shared with me so many great stories of him. The way you speak of him, it is clear you admire and love him dearly, he was a quality man. One of life's most difficult experiences is to lose a parent and when it's the Patriarch it is even harder. My heart goes out to you and your family as you work through your sorrow. Take comfort in the memories you have of him and in knowing they are together again.

With deepest sympathy

Dear Brenner Family: We are deeply sorry for the passing of Uncle George. We will always treasure our fond memories. When Aunt Mary and Uncle George would visit Mom (Rita Finamore) they would walk up to our house to spend time with us. May you find comfort surrounded with family and friends. You are in our thoughts and prayers. God Bless
