“ Roberto and I remember with thankfulness the wonderful visit we had with George and Rosita in Zihuatanejo two years ago. And the visit again with my mom at Janet and John's place with Janet's mom and George and Rosita. The connections between our families were so intertwined and yet so little explored.

Marguerite Fleischauer, Roberto Gomez and Norma Yau express our sorrow at the loss of a wonderful, positive, kind person and wish Rosita and his family our love and hope for cherished remembrances.
