“ Linda, and Grant's family, Terry and I are heartbroken to hear about Grant's passing. We treasure the times we shared sitting around the campfire, telling stories and jokes and listening to Grant and friends play music and sing. We will always remember how welcome we felt in your company. Sending you love, light, hugs and strength.

“ All my memories of Grant are at the trailer. Great friends. Grant used to cut my grass when I couldn't. My favorite memory was at Halloween and we had cat ears. We put them on his head and 3 of us girls kissed him on the cheeks. He called help (not loud enough for anyone to hear) and laughed the whole time. He was such a nice person. He will be missed at Pine Echo Camp.
