“ *No 2 kids where luckier then Jamie and I, the blessing it was to have such a wonderful father is beyond words. Thank you Dad for being the kinda of father we needed even though you didn't have to be. Brad Paisley said it best and I think of you every time I hear it*

*I met the man I call my Dad when I was five years old
He took my Mom out to a movie and for once I got to go
A few months later I remember lying there in bed
I overheard him pop the question and I prayed that she'd say yes*

*And then all of a sudden oh it seemed so strange to me
How we went from somethings missing to a family
Lookin' back all I can say about all the things he did for me
Is I hope I'm at least half the Dad that he didn't have to be*
