

Hilda Catherine Koch

October 19, 1925 - February 13, 2022

Koch, Hilda Catherine 1925-2022

It is with profound sadness that Hilda's family announces that she passed away peacefully in her sleep at Stratford General Hospital on Sunday, February 13, 2022, in her 97th year. Formerly a life-long resident of Wellesley, Hilda has resided at Nithview Community since 2015. Born in Wellesley on October 19, 1925, she was the only daughter of the late Ezra and Oliva (Lotz) Hoffman, and was predeceased by her loving husband, Alvin Peter Koch (February 13, 1975), as well as by her son-in-law, David Molloy (December 30, 2016). Hilda was also predeceased by her cherished aunt, Hilda Lotz, and by her uncle, Albert Lotz.

Hilda is lovingly remembered by her son, Rodney (Pui), and her daughter, Iris Molloy; her grandchildren, Christine Koch (Sathish), Kimberly Koch (Riley), Megan Molloy (David), Kaitlyn Molloy (Ike); and her two great-grandchildren, Karthik and Rae.

After attending Business College in Kitchener, Hilda was employed by the Bank of Montreal in Kitchener, the CIBC in Wellesley, and at the local doctor's office until her retirement. Hilda was always very passionate about the Wellesley Fall Fair, and won a prized silver plate awarded by the T. Eaton Company in 1935 at the age of ten after competing in a speaking contest. Her involvement with the Fair continued for the next 70 years. She was a past member of the Wellesley Historical Society, and the Wellesley Township

Horticultural Society.

Hilda was a committed and dedicated member of St. Mark's Lutheran Church in Wellesley, where she was involved with numerous committees, and was the church organist for 46 years. Volunteering was the centre of her life, particularly with church activities, retirement homes, and local service groups. She served on the Nithview Home's auxiliary, and was a roving reporter for the home's quarterly newsletter. In 1986, Hilda was awarded Wellesley Citizen of the Year, acknowledging both her volunteer and community work. At home, she was continuously working on scrapbooking projects including numerous articles about births, graduations, weddings, and photographs, plus other celebrations of her friends and acquaintances. Hilda was well known in the community and cherished her frequent visits with her many longstanding friends. Rest in peace "Mother Koch" (aka "Mother Wellesley").

Visitation will be held at St. Mark's Lutheran Church on Saturday, February 19, 2022 from 11:00 a.m. to 12:30 p.m., followed by a Celebration of Hilda's Life. Those wishing to join the family from home can follow the view livestream link beginning at 1:00 p.m. under Hilda's obituary on the funeral home website. Pastor David Hammer officiating. Interment will follow in the Spring at St. Mark's Lutheran Cemetery.

In lieu of flowers, as expressions of sympathy, donations to St. Mark's Lutheran Church, the Alzheimer Society of Canada, or a charity of your choice would be greatly appreciated. Please wear your mask and respect social distancing.

The family wishes to thank the doctors and caregivers at Stratford General Hospital, and at Nithview Community for their kind and compassionate care for Hilda. Arrangements have been entrusted to Futher-Franklin Funeral Home 1172 Henry Street, Wellesley, ON (519-656-2880). Please visit <https://www.futher-franklinfuneralhome.com/> for more information.

“ So sad to hear about the passing of Maude. A wonderful person with such a warm and friendly smile, she always asked me about the latest project I had going on with my choirs. The last visit my mom, Marguerite Fleischauer (her cousin), and I had with her in September 2018, we laughed so hard - she loved to be teased. I have a great picture of Maude and my mom, sitting together and both being them, smiling into the camera. Just the best way to remember a kind, wonderful woman. Thank you for making us all a part of your life Maude.

“ Rodney & Iris, I am so sorry to learn of Hilda's passing. Knowing her from her days at the office of Drs. Finn & Sellers, she would call every year on my birthday to wish me well; she never forgot. The last time I saw her in her home on Nafziger, with Rodney there, she was preparing to move. And then it was at Nithview one day when I surprised her with a visit on her birthday. She never forgot our family through all those years.

One of a kind, and now she certainly has earned her rest. My deepest condolences to you and your extended families; may she rest eternal in God's care.

“ Dear Rodney and Iris. My sympathy for your great loss. Your mom was such a happy and friendly person. She would always call my mom on her birthday. I first learned to know her when your Koch grandparents lived beside us. I would see her many places and one other memory I have is when she and your great aunt Hilda went on the same trip with me to the Holy Land. They were both the life of the party. She was such a Christian lady and friend. She will be missed.

“ It was with great sadness that I read of the passing of Hilda. I had the pleasure of providing dental treatment for her for many years at the New Hamburg Dental Group. She always lavished praise and gratitude for everything that I did for her and I always looked forward to her visits. We had so many lovely chats chairside during the course of providing treatment. While the topics varied, at the heart of each conversation was the love that she had for her family. She will be greatly missed by all of us who had the good fortune to cross paths with her here on earth. R.I.P. dear Hilda.

“ *Hilda was such a rock of faith for us . We enjoyed singing when she played the organ and enjoyed choosing hymns with her for St. Marks services. She was a joy to spend time with, especially when we went out to the Schmidtsville. She was a great person to spend time with, We will miss her.*

“ I bought Hilda's panabode on Miller lake in 2004. Hilda was the founder of my waterfront feast. She became a good friend. May you be safe, free, happy, peaceful, and continue the discovery of your true self, my precious friend Hilda.

“ We have so many fond memories of Hilda, or Maudie as we called her. She was our very close neighbour when I was growing up in Wellesley, and the long standing organist at our church, playing the organ at our wedding. We saw her regularly when she worked at the doctors' office for many years. She always took time to chat and she will be missed!

Sending sincere condolences to Rodney, Iris and families.

“ Our sympathy to Rodney and Iris. Your mother loved you very much and spoke fondly of you. Hilda also was a dear friend of ours. When she lived in Wellesley we had telephone conversations and she visited in our home. We also picked her up to attend various community functions. “ *What a life Hilda lived! She was an incredibly strong, independent and engaged woman of faith who contributed so much to her church and the Wellesley community. She kept in touch with people... and I was fortunate to be one of them... remembering people on their Birthdays. I always looked forward to that call. Her love, care and concern would always come through and she would always include the message wishing you " God's Richest Blessings". She was truly " One of a Kind".*

Our deepest sympathy to Rodney, Iris and the whole family.

You will have so many memories to cherish.

Thinking of you all.

Sincere Condolences...

Heaven has gained an angel and we have lost a dear friend who shared her servant heart unselfishly until she no longer was able. I cherish wonderful memories of working with her in her volunteer roles for many, many years at Nithview. I became acquainted with a number of new friends because of the time spent with your Mom.

I share with you my love and prayers at this time.

“ Maudie was one of the first people to show me the love of Jesus. She never ended a phone call without saying, "God loves you; I love you; and we'll pray for each other." She had a light in her eyes and joy in her smile at all times, and she made me feel like the special goddaughter in the world.

I will never forget her presence at every birthday party; family gatherings in Wellesley; phone calls just because; her pretty pink house, all the Beanie Babies, and pistachios; and breakfast dates at Schmitzville. Most of all, I will never forget her reverence for the Bible, her love for Jesus, and her sweet, lilting voice.

“ My condolences to the Koch family. I have so many wonderful memories of Hilda - we were neighbours before she moved to New Hamburg. We also went to Drayton together for many years and she always had candies for us. No matter how old you get, you turn into a kid again when there are candies involved. Hilda was a very special lady - loved by many, missed by all. Sending caring thoughts and prayers - Bruce Cook 🎵
