“ I have good memories of trips to Ontario with my parents, Allen and Amanda Graber to see Grandma's Roth family. I always thought it was special to be named after a sweet little lady in Canada. For many years Brenda and I were "pen pals". When I got older I also enjoyed seeing Lewis and Idella in Florida on Friday nights for bowling, out to eat and then playing cards. Those activities were priority for the Graber family. How ironic that Lewis and Idella would both be gone only a few months apart. Sweet for them but sad for the family. My thoughts and prayers are with you all. May you take comfort in all the good memories of your special parents.  
Love,
