“ *Many fond memories of Jake as my pastor at Maple View. He was also my bus driver and every morning started our school day with his trademark big smile and 'good morning' greeting. I enjoyed reconnecting with Jake and May on Tourmagination trip to Europe in 1988 and then seeing them at Pondview when they moved back to Wellesley. Special memories of a very kind man.*

“ Sent with so much Love and sympathy to our Dear May, Larry, Rick, Jamie and your wonderful families. We go back many years....Jake taught Merlin to ride bike, was very patient and ran along beside, until finally he was off on his own, just a funny little story
We were a close group of 8. Many good times together, games prayer time and singing Together. He served his Lord in many different locations. God Bless all of you, as you have walked the difficult time. Love, prayers, the Love of Jesus sustain you all.

“ We have some treasured memories of Jake and May when they attended Zion Mennonite Fellowship in Elmira. We were part of their small group and met at their home in Wallenstein. Always a compassionate, caring couple who were so gracious. Our hearts go out to May and the family as they say good-bye to a gentle, caring man. Praying that God will surround you all with his love at this time.
