

James Malcolm Hutt

May 19, 1952 - May 15, 2015

HUTT, James (Jamie) Malcolm (1952-2015), of Wellesley, Ontario, passed suddenly at his home on Friday, May 15, 2015. Jamie is predeceased by his wife, Jane (Jeri) Hutt, and his parents Kaye and Harry Hutt. Loving father of Rebecca (Nathan) Hallman, Elissa Hutt and Malcolm Hutt. Proud and dedicated grandfather to Owen, Sophie, Carson and Julia Hallman. Jamie will be significantly missed by his brother Bill Hutt; nephews Ian and Colin Hutt; and Aunt Elen MacMillian. Jamie was employed by Rentokil Pest Control Canada. Jamie will be fondly remembered by family and friends as a devoted husband, father, grandfather and a limitless friend. His love of his community, passion, sense of humour and willingness to help anyone he knew will be greatly missed. His strength and courage through the difficult last months, and the knowledge that Jamie will now be joining the love of his life, will be a comfort to his family in the challenging times ahead. There will be no funeral services, as per Jamie's wishes – instead the family will host family and friends at a Celebration of Jamie and Jeri this summer. In lieu of flowers or donations, the family asks that you take time to tell your family how loved they are.

'You taught us love and how to fight,
You gave us strength, you gave us might.
A stronger person would be hard to find,
And in your heart, you were always kind.'

“ *I am so sorry to hear of the loss of your Mom and Dad. Your Mom was such a great coach for Heather. She had a gentle soul. I know Geordie and your Dad had many talks at ringette games and he also knew Jamie through his work. I called your Dad two summers ago, I had a family of skunks in my backyard. Your Dad came right away with a trap and taught me what bait to use and how to use the trap. I was so thankful for his help. My thoughts and prayers are with your family.*

“ I just want to say this came as such a shock to hear about Jamie. I have known him for what seems like a zillion years. From the days of our hot cars, Horton's on Ottawa Street, lottery tickets and the list goes on and on. My thoughts and prayers are with you, the family at this time and offered also to your Mom and Dad, great people.

God bless.

“ Hutt Family
My heartfelt condolences for the 3 of you and your families. you had two wonderful parents and not surprising they don't want visitation or anything. they were very private people outside of family. I had a number of dealings with them through ringette and other St. Clements functions. great people to work with on community events. I just can't believe they are both gone within a few months. 2 terrific people. My thoughts and prayers are daily for you's at this time and in the future.

“ So sorry to hear of your Mom and Dad's passing. We have so many memories of Jamie and his brother Bill growing up as Henry and Kay were very close to our Mom and Dad. There were many family times when we visited them as young boys in Timmins and later in Kitchener. Many weekends were spent visiting them in Kitchener or in turn they would come to Niagara Falls. We look forward to meeting all of you at their memorium. Our thoughts and prayers are with you.

“ To Jamie and Jeri's Family: I know you don't know me but, I feel I know you. It is for this reason that I feel compelled to send this message. I used to work at the Union Office just outside of Cambridge. Your Dad was there regularly and for more than 20 years, he brightened my day when he would visit our office. I loved to hear his 'joke of the day', his trivia and sharing many stories of our families. Over time, we found we had some common ground, my husband worked for his son-in-law and my son-in-law's father met with Jamie quite often for coffee before they started their day. During all of these years, I had occasion to call your Dad, thinking I'd be hiring him to take care of pest issues. He always gave me advice that worked and never even considered a fee for it. He always spoke so highly and with such pride, of his wife, children and then grandchildren. I was truly saddened to hear of the loss of your Mom but, now your Dad too, the news brought me to tears. I am sure it has been a very difficult time but, know that I have the greatest respect for Jamie, who I saw as a person filled with love and kindness. I grieve with you all, knowing that what I feel isn't even close to what you all feel. I will keep each of you in my thoughts and prayers. Please know that I send hugs and my deepest, most heartfelt sympathy. Michele Miller
