

Jody Anne Hardy

June 24, 1959 - October 12, 2021

It is with great sadness that the family of Jody Anne Elizabeth Hardy announce her passing at the age of 62. After a short battle with cancer, she passed peacefully in the arms of her loved ones and in the comfort of her own home on Tuesday, October 12 2021. Beloved wife of Frank of 43 years, loved mom to her pride and joy, Jamieson Eric (Jessica) and Teri Anne. Cherished sister to Kandice Ciok (Tom), Paula Tiveron (Dave) and Cindy Adair. Also survived by many nieces and nephews. Jody was born June 24 1959 in Cooksville Ontario. Daughter of the late Joseph and Helen (Allin) Jackson. Jody grew up and lived in Campbellville until moving to Wellesley with her husband, where they have resided for the last 33 years happily. Jody was always so full of life. She enjoyed many hobbies: from painting with her water colors, building beautiful pieces with stained glass, to outstanding works of art with her needlepoint. She had many talents and if she wasn't working on one of them, you would find her outside working in her gardens. She loved animals and nature and everything in between. One of her favorite places to go was Algonquin Park with her daughter Teri. She savored every moment and hoped to go back one day. Jody was truly a caring individual, opening her door to anyone in need. She enjoyed long conversations around the kitchen table with those who stopped by, searching for a lively chat.

"In life, we loved you dearly, in death we love you still. In our hearts you hold a place no one else will fill."

Arrangements for cremation have already taken place. A Celebration of Life

will be held on June 25th, 2022.

If anyone would like to pay their respects to Jody, Our house is always open.

“ *You were my everything - My best friend - the person who knows me best and guided me through all the bullshit death and struggles 💔 I can't believe you're gone, I am glad dad and myself were there with you during your last breaths, I am glad I got to hold you and kiss you so many times before saying goodbye - I don't want to stay goodbye, I don't want you to leave me ---- I'm scared Mom! I need you still.....I'm not ready.*

I love you to the moon and back! I always will, I hope you stay with me for the rest of my life.

“ Those special memories of you will always bring a smile. If only I could have you back for just a little while. Then we could sit and talk again, just like we used to do. You always meant so very much and always will too. The fact that you're no longer here will always cause me pain. But you're forever in my heart, until we meet again.

You will be forever missed and loved.
Always from your sister Cindy.

“ Rod and I (Wendy) had gone for a walk about town and stopped at the Hardys to say hello. Jody happily took us into her back yard to show us the amazing gardens she had. She expressed her pride and pleasue she had for the unique and native plants flourishing in her gardens and all the garden pieces given to her as gifts. Quite an oaiss of plants in the middle of town...Was a lovely and informative visit. Was very enjoyable.
