“ *My deepest sympathy to Pat and the family. I only met John two or three times, but I remember his gentle manner and his beautiful smile. May you know God's comfort in this time of loss.*

“ *Our deepest sympathy Pat and Family. I will always remember John as a kind man always interested in how I was doing from the time I was young. I will remember him seeming so tall, dressed nicely and he always smelled really nice. Memories from my childhood....very special!!*
