

John Franklin Hammer

October 5, 1954 - August 26, 2018

HAMMER, John F.-It is with deep sadness that we inform you that on Sunday, August 26, 2018, John Hammer passed away unexpectedly. John leaves behind the loves of his life, Janet (Dotzert), and their three daughters, Carla, Tonia, and Laura, along with their spouses, Dave Caruso, Mike Coletta, and Jesse Saunders. They brought so much joy to his life and gave him the gift of five grandchildren, Gabriel, Elliott, Oliver, Hugo, and Hudson. John had a great love for his family and doted on his grandchildren. John so much enjoyed the company of his “four” girls, but it was the grandchildren who made his smile shine.

John is remembered with love by his and Janet’s families, especially his mother, Elaine, and mother-in-law, Shirley. He will be missed greatly by all of them. He is predeceased by his father, Bob, and father-in-law, Wally. John had a successful career with the Region of Waterloo and had recently retired. John had a passion for travel and he and Janet travelled to many parts of the world (and sometimes their family joined them). John also enjoyed the many hours he was able to spend working on the property he and Janet owned for much of their married life in Bamberg. A family visitation was held on Tuesday, August 28th and a private celebration of his life will be held at a later date. As an expression of sympathy, donations can be made to Habitat for Humanity. This organization was very close to John’s heart.

“ *It was with great shock and sadness that we learned of John's untimely passing. John was a true gentleman and a committed professional. It was people like John that made the RMoW the success it became. Whatever John did, he did it with enthusiasm and did it well. Every meeting I had with John was a bright spot in the day. John will be greatly missed and he will be remembered.*

My sincere condolences to the family. You were blessed to have him as a husband, father and grandfather.

“ Janet, our wishes for lots of beautiful memories at this sad time. Roberto and I remember the wonderful day we spent with our moms and George and Rita and you and John at your house last fall. John made Roberto feel so welcome and Roberto still talks of the things they discussed (while you and I were catching up way back behind them). Such a lovely way to remember John, whom I knew about the same length of time as you. I am so glad we got to play together for him one more time as well. John was a wonderful man who had the best smile. Love and hugs to you and the whole family.

“ I am writing this for anyone who may not have had the pleasure of knowing John Hammer; a humble, gentle, strong, brilliant man.

For all of John's loved ones, I know you share my sentiments ...

Forty years ago this weekend, I was privileged to stand by Janet as her maid-of-honour. I looked on as Janet and John exchanged vows, their solemn commitment to each other. From that happy day until their last, they never faltered. They kept their promise.

When telling friends about John's death I wrote "I have often told you about and marvelled at Janet and John's love story ... the most pure and complete expression of love and respect imaginable, nothing needy or "icky" about it. They lived life as partners in every sense with an unfaltering commitment and daily joy - being together. The example they set resulted in their three incredible daughters attracting the same into their lives in the form of David, Michael and Jesse. The most proud and happiest of days was Janet watching John and their soon to be married daughters, walk the wedding aisle toward these amazing men".

Today I was privileged to attend another ceremony; much more somber but also very significant.

The Region of Waterloo paid tribute to John by lowering its flag to half mast; a gesture of honour, respect and appreciation to a truly impeccable professional. It was also an opportunity for Janet, Carla, Tonia and Laura, as well as Mom Elaine to be thanked for supporting John throughout his impressive, multi-decade career.

Whether at home or at work, John always gave his best. It was gratifying to see his hard work, dedication and many contributions recognized.

I am certain all who grieve John's loss, including grandsons Gabriel,

Elliott, Oliver, Hugo and Hudson, Janet and John's amazing sons-in-law, the Hammer and Dotzert siblings, in-laws, friends and co-workers - will be forever inspired by the example he set.

Thank you John. It's been my honour to call you Friend!

Sending my love and deepest sympathy to John's beloved family.

“ John was not only a great and knowledgeable Engineer, he was someone who was consistently fair, practical and understanding. As a boss, mentor and leader for me while I worked for him at the Region he was always very supportive and taught me how to be a better engineer and person. We know he put his heart and soul into everything he did, and are happy to support one of his very worthy passions. It is an honour for us all to have worked with and gotten to know John.

John will be sorely missed by the Region Engineering Community and our hearts and prayers are with Janet and his family.
