“ Mom

*By Barbara Ann Reid*

*My mom is the person I most adore.  
You may not know her, but you've probably  
seen her before.  
Shes the person who buys a coffee for the poor beggar on the  
street,  
Shes the one who makes sure every child  
in the store has money for a treat.  
Shes the women behind you, when you don't have enough to pay,  
So be thankful accept it, it will make her day.  
Shes the mom on the trip that buys every child a gift or two,  
Shes the mom that provides everyone a lunch at work not just you.  
Shes the link that's most important in the family chain,  
Keeping everyone together in times of  
joy or pain.  
Shes the kind sole you have spoken of fondly before.  
Shes the women I love, admire and adore.*

*Wrote this many years ago, a copy hangs framed on her wall with  
our picture :)*

*Love you Mom!!!!*

*It will now be on my livingroom wall for me to see everyday 🙏*

“ Such a beautiful woman with a beautiful soul, kind, caring and loved with her whole heart. I will miss so much about her but mostly I will miss our long phone calls 10 minutes would last 2 hours. When she left she took a piece of my heart with her. Love you forever my special angel □□□□
