“ While the loss of a loved one is never easy, it is most certainly the hardest when they are taken from us too soon. Ineta your recent loss of your son who has left us at such a youthful age is definitely in the category of those hard losses for which there is so painful a reminder of what might have been.

*I offer my sincere condolence and deepest sympathy on your loss. May the outpouring of sympathy, the kind acts of friends and strangers and the comfort in knowing that your loss is felt by many, help you through this difficult time.*

*I ask for God's blessings on you and your wonderful family. May you find the courage and strength to move forward in peace and confidence and in knowing that his was a life well-lived.*

*Yours In Peace,

“ *Bow down thine ear, O lord, hear me: for I am poor and needy.  
Preserve my soul; for I am Holy: O thou my god save thy servant that trusteth in thee.  
Be merciful unto me, O Lord: for I cry unto thee daily.  
Rejoice the soul of thy servant: for unto thee, O Lord, do I lift up my soul*

*Psalms 86 v1-4*

*Out of the depths have I cried unto thee, O Lord.  
Lord, Hear my voice: let thine ears be attentive to the voice of my supplications.  
If thou, Lord, shouldest mark iniquities, O Lord, who shall stand?  
But there is forgiveness with thee, that thou mayest be feared.  
I wait for the Lord, my soul doth wait, and in his word I do hope*

*Psalms 130v 1-5*

“  
*Day by day I think of you,  
How can all of this be true?  
I can't believe you're really gone,  
I still can't accept it,  
Even after so long.  
Just the thought of you makes me cry,  
I never even got the chance to say goodbye.  
Every picture, every letter,  
I don't know if it will ever get better.  
I always smell your familiar scent,  
It makes me think of all of the times we've spent.  
I know we didn't always get along,  
And every time we talked, it would always go wrong.  
So many things I never got to say,  
I never imagined you'd ever be so far away.  
You were my brother,  
And I loved you like no other.  
In my heart you'll always be,  
You'll be my guide and help me see.  
I'll never forget your soothing voice,  
I would take your place if I had a choice.  
But now I have to let you rest,  
Although without you my world's a mess.  
I miss you with all of my heart,  
I wish we never had to part.  
I know you're always by my side,  
So now I guess this is good bye for now*
