“ *I am a first cousin once removed of Kelvins. My grandmother Edith Peters Benness was a sister of Manala May Petersburg Waywell. I spent many summers in Bala at our cottage which was next door to Auntie Mays. My last visit to Bala several years ago I had the pleasure of a lovely visit with Kelvin and Iva. I would love to connect with members of the family as I know Kelvin recorded my Grandfather Bert Benness talking about his life and it would be wonderful to hear his voice again. I was very sorry to learn of Kelvins death he was a kind a considerate man, please accept My deepest sympathy. Marilyn Benness McKinnon*

“ Every time I met Bro. Waywell and his wife, I was impressed with their faithfulness and the love that they showed to their family. One year when I was teaching Seminary, I asked each of the students who was their hero. Both of the Alvarez boys said that it was their grandfather, Bro. Waywell. He touched many people with his interest in them and the help he provided to them.

“ *Brother Waywell was the faithful home teacher of my mother and grandmother many years ago. He was the only one who could teach my mother calculus and it was this simple act of service that caused my mother and grandmother to start coming back to church. He also patiently recorded my grandmothers life story in her final month of life, a priceless history I will treasure forever. His life has indeed blessed my family through 4 generations.* ❤️ Sarah Beitz
