“ *My dear, sweet niece...
Our time together was much too short. I have
undergone so many emotions over the past
few days...
...complete devastation over this immense
loss...
...anger that you were taken from us so soon...
...sadness that we'll never be together again on this earth...
...but gratefulness for every moment we've shared...
...and reassurance that we will once again unit in Heaven.
You were a beautiful soul in life, and I know your beautiful soul will
live on as a part of us all for the rest of our lives. We were all
blessed to have you to love and to be loved by you.
"May the winds of Heaven blow softly in your ear, how much we
love and miss you and wish that you were here." Author Unknown*

I love you Angel... <3

*Hugs and love to our family and extended to those who also loved
our Lisa. May God bless us all by wrapping His loving arms around
us and offering us comfort in this horrific time...*
