“ *So sorry to hear today of the passing of your dear Mom and grandmother Mabel. I enjoyed cleaning her room as it was always so neat and easy to take care of.
My other remembrances of her were how she would play the piano on third floor and I would go in to mop the floor and would have a sing song together.
She was a dear lady and I know we missed her in the tea room after her stroke.
May she rest in peace now and peace to all of you.

“ *Hi Steckly Family: We send our thoughts and prayers to your family on the passing of your mom Mabel. We were unaware that Mabel had passed away until yesterday. She was always ready for music - either to listen or to play - cherish each & every memory.

“ *So sorry to hear of Mabel's passing. I'll always remember her as a cheerful, upbeat person and a fun aunt. She made music not just with her voice and keyboard, but by the very nature of her personality. So sorry for your loss, dear cousins.
With love, from London,
