“ Although I do not know your mom or you very well, Beverly and Family, my husband Martin has spoken fondly of your mom, dad and yourself. Martin has known your family for many many years. He can even remember your original phone number and recited it off to me.

My recollection of your mom is always coming into the room with a smile and a tap on the shoulder Saying “hello, wonderful to see you.” That speaks volumes of your dear mom.

*Much love,
Paula and Martin Hau*
