“ *To Karen and Family.
My sincere and heart felt condolences for your loss.
I know that people try to impart words of comfort at times like these,
but there really aren't any words that can help alleviate the pain of
losing ones husband and father.
Take the time to mourn your loss and do what you feel is right to
cope during this most difficult time.
Again, my condolences.*

Sincerely,

Joseph (Godzisz) Taylor

“ We first met Mark when his family and my husband and I were on vacation at Sauble Beach. He loved fishing if I remember correctly. It was quite a coincidence as I had grown up in Ancaster but had never met before that. Our condolences to his wife, children, Verna and Cara.

“ I had the pleasure of meeting Mark last year & working with him @ Laurelwood , I can say we had a lot of fun and hit it off fantastic , had many laughs & lunches in the small time we shared , we kept in touch after he was unable to work anymore , I am truly sad of hearing this and I wish the best for his family that he always was so proud of and continuously spoke about during our conversations. He was a GREAT man and my thoughts are with you all. Someday Mark we will have lunch @ the Checkerboard Restaurant in the sky Buddy .

“ *We extend our deepest sympathies to Mark's family. We had the privilege of working with Mark at the Court at Laurelwood several years ago. He always came to work with a good attitude, willing to help out when and where he could. He was a family man first, with a moral character. We are truly saddened, and our thoughts are with you.
