“ *Marlene was my second mom. My mother couldn't have had a best friend in this life. She had many crosses to bear but always had a smile. She was a loyal & true heart & could never do enough, she was giving to a fault, kind beyond words. She gave the best damn hugs & I will miss her so very much. I will miss her sweet laugh. My deepest condolences to anyone whose life she touched because she was that amazing & wonderful. The world is most definitely a poorer place without her. Rest in Peace sweet Marlene*

So very sorry to hear of Marlene's Passing. I missed the obituary in the paper & just found out from another cousin, but no-one in my family seemed to know about it, I printed this and will certainly let them all know about it, I can't understand how we all missed it. Just to let you know we are first cousins to Marlene & her sisters. as our fathers were brothers. Our father was Leonard Weiler. Our thoughts and prayers will surely be with all of you. My name is Norma Krieg (nee-Weiler) Love to everyone.

“ I'm saddened to hear the passing of Marlene. We worked together at the Region of Waterloo for a number of years. She always had a smile on her face and she loved to laugh. Every occasion Marlene would bring in some kind of food tray to share, whether it be her ribs (which I have the recipe for), her Halloween scary treats or Christmas cookies, etc.. She sure was a joy to be around. I last saw Marlene at the grocery store and was good to catch up. My sincere condolences to the family and may the memories guide you through this difficult time.

“ Though Marlene's passing is not entirely unexpected, it still seems too soon. Her kind heart, her firm faith, her cheerful endurance, will be all the more evident for their absence. Our sincerest condolences to all her family and the many friends who will miss her as we do.
