“ Our thoughts and prayers are with all of you as you mourn the passing, and celebrate the life of your dear mother, and grandmother. She had a long life but we know you will still miss her. Stan remembers enjoying time and chatting with Aunt Mary at reunions, and in boyhood times seeing her toiling in her vegetable garden across the laneway.
God bless you all during this time.

“ When I think of Aunt Mary I think quilts. She was always sitting at a quilt using her gifts for others. I remember her quick smile and she was always delighted to see you and interested in what was happening in your life.

“ My fondest memory of my aunt Mary is how willing she was to take care of the little Erb boys living next to her on the farm. One of them was a baby whom she took into her home until Mom was able to care for him. Nothing was too much work for Mary. She had a very kind gentle soul.

We are thinking of all of you. May God bless you as you say goodbye to your Mom or Grandma..

Many hugs to all of you!!
