“ *I have fond memories of Mary as one of my Brenneman cousins who lived very close to our farm when I was growing up. In 1997, our family moved back to Kitchener after having lived in Ottawa for many years. Bob and I happened to be at a mall and Mary and Jake were there at the same time. We had a great time catching up with them and feeling the family connection again. Mary was very kind and gracious and she will be dearly missed by her family and her many friends.*

“ Mary Jantzi was the most loving caring kind hearted women that has left everlasting memories for myself and my family. She had such a big heart and that was shown in all she did from being a mother to grandmother to great grandmother and friend. The world will be at a loss forevermore, and because she touched everyone's heart in so many ways the memories will never end. From enjoying painting to sewing or quilting she was an amazing woman, we will always love you and miss you please be with Jake and watch over us in our everyday life as we try to move on without you.
