“ I have many fond memories of Matthew. Occasionally, I look at the picture of him riding my Dads lawn mower around the yard and have to laugh. I loved taking him to our house. I also loved going on walks with him and took great pleasure in being his Primary Counsellor. His love of life and the little things made me more aware of my blessing too! I can still sing along to Raffi and remember his smiling face. He made me a more confident person and I appreciated every opportunity he challenged me with. You are in my thoughts and prayers Wayne, Maryjane and Trevor. I imagine he is running freely in heaven now without pain or suffering. Lora Gerber.

“ So sorry Mary Jane and Wayne to hear of your loss which is
heaven's gain!

*I loved Matt dearly, he was so much fun to do things with. We always enjoyed our walks around New Hamburg. He knew his way around well (great sense of direction) He could find his way to my house to see the dog or go swimming in my pool or even have a campfire. I remember lots of times eating lunch with him on picnics or at malls. He taught me about observing and enjoying life. He taught me to aware of his needs and feelings and keep pressing on to communicate and understand them. I loved seeing his face light up when he looked at the family photo album you made him or when he heard your voice or heard you walk in the door. We enjoyed music together as I played guitar and sang with him. So many memories which I treasure. Matt had a great smile and enjoyment of life which was a pleasure to be a part of. We can all benefit from the things Matt taught us by being who he was. My prayers will be with you and your family as you grieve his loss.

“ Matthew was so full of joy, jokes, and laughter. He was kind and compassionate to all- and especially loved dogs and babies. It was a pleasure getting to know him the years I worked at Aldaview. I remember him fondly anytime someone sneezes or I hear a Raffi song come on 😊 He will be missed!

“ Wayne, Mary-Jane and Trevor - I am so sorry to hear of Matthew's passing. He was such an amazing gentleman and I loved the times I worked with him. His excitement for life was one we all should have! Some of my favourite memories of my time at Aldaview are of going to see Sharon, Lois & Bramm with Matthew, as well as going to Chuck E Cheese! He was a pleasure to be around and his laugh was contagious. Thinking about him today I realized that even after all these years, I still remember your phone number as he asked to call you almost every evening. I will also never forget the look on his face when he would see you pull in - especially if you brought the Mustang! Love and prayers, Katy Holst

“ *Matthew taught me so much in our time spent together, most of all, the lyrics to Baby Beluga :) He was honest, joyous, lovable and curious and always brought a smile to my face any time I was around him. I know Matthew will always be around, waiting for the next opportunity to yell 'boo' and make someone jump. He will truly be missed but I know he will be in our hearts forever.*
