“ *Oran, Pauline, Joe and family, Pam and I would like to extend our prayers and condolences to you on the passing of Milton. I am going to truly miss the many conversations that I have had with Milton, especially, about his wood carving collection. He was truly an artisan in that area. It won't be the same up at the cottage without Milton but his memory will live on. He was truly a gentleman and a gentle man.*

“ *Pauline, Joe and family. We are truly sorry about the passing of your father/grandfather. He made me a cedar chest and I bought a few other items from him. What an amazing woodworker he was. He was a very gentle and humble man. Hold on to all the wonderful memories you had together. We are keeping you in our thoughts and prayers. Take care. Ray and Brenda Gallant, Hagersville, ON*
