“ *I'm her great granddaughter and my fondest memories of her very always when she was the happiest. I would go there with my grandparents and we would always have the best time. She had a little closet filled with mine and my brothers toys. There was one toy that I will never forget it was a little bear that she made clothes for. One day my brother took it from me I was crying so she took me to the couch and watched tv with me and calmed me down. I will never forget her. Everyday July 7th since it is my brothers birthday that day sometimes we don't have time but we useally light a lantern and let it go in the sky. There is always a memory written on it. We all truly miss her.*

“ Our deepest sympathy to Liz and Dan, and all your family, at the passing of such a special lady! Whether greeting us at Church, passing on the streets of Wellesley, or attending special functions in the parish, Miriam always warmly welcomed and remembered all of us! She was a delightful person, a real lady, a gentle heart that we all will remember fondly. We are sorry she has left "us" behind, but know that Skip will be overjoyed to see her again! And, that there is a set of divine arms waiting to welcome her to her eternal home! God bless you, Miriam - and bring comfort to your family. With great affection, Dee & Bob Sproule, and family

“ *I remember before departing for Ohio for Ryan and Shannon's wedding, we were wondering if Grandma's walker would fit in our little car, and Grandma says "...don't worry if it doesn't fit, we will just have to throw it out!!!" We will always love you Grandma, and you will live forever in our hearts!!*
