“ *Dear Bonnie, Paul and I send our sympathy to you and your family on the passing of your mother. I thought of her as a very forward thinking woman who was always interested in learning and trying new things. I have not seen you for years but I remember you fondly and all of the volunteer work you did at Parkminster Church.  
Sincere sympathy, Sandy Schellenberg*

“ On behalf of Pat Durrer:- Many memories of a great lady. Ray and Pat spent many afternoons playing euchre with Bill and Myrna. Myrna and Ray always competing to see who got the most lone hands.

Sorry to hear of her passing. May Myrna and Bill now rest together in peace.

“ When I came here to Kitchener from Newfoundland in 1972, I was much on my own. One year later in 1973 I met Bonnie and her parents. Myrna (and Bill) took this seventeen year old kid under their wing and treated me same as Family. We had great times together.

I will ALWAYS be indebted to them for this. They are a GREAT family.

R.I.P....

“ I am so glad Myrna is free from the restraints of her dementia. I have so many memories from the years of being neighbours it would be difficult to choose a few. We had so many long talks...Myrna was such a great story teller. The dynamics between Myrna and Bill gave me many laughs!!!

Thoughts and prayers to the family.

*I'd like to add that I'm very grateful to my Grandma because if it wasn't for her I wouldn't know my family as I do today or maybe not at all.*

*When I was born my parents were very young and they gave me up for adoption. My Grandma would tell me the story over and over again of how she got me.*

*My Grandma was sitting at the Fair just after I was born and seeing me and there was a little blonde hair girl playing by my Grandma. She said she decided to get me back from foster care and raise me till my parents could because she would wonder every time she saw a little blonde hair girl "could that be my Granddaughter?" She explained that would bother her for the rest of her life so her and Grandpa decided they would get me back and look after me until my parents could.*

*My grandparents got me back after a bit of a fight from foster care when I was 6 weeks old and they had me live with them and they took good care of me until I was a year old. Because of this, we had a very special bond. I wish I could hear my Grandma tell me that story one more time. Thank you Grandma & Grandpa. You both are forever in my heart. I love you. Love Kimbo XOXO*
