“ *Karry, Kelly, Bernard and the entire Vollmer family: Nancy will long be remembered by many for her huge wonderful smile, robust laugh, and genuine kindness. She is leaving her legacy through so many family members.*

I also have memories from many years ago in 4-H - where she taught us macrame, cooking, sewing, etc. Even in those times she showed her generosity and sense of humour.

More recently my mom would always let us know that Nancy and Frances had come to visit her as part of the sick - what a kind soul to continue this generous act. She did the same many years ago when my dad was ill as well. That kindness does not go unnoticed. My most recent interaction with her was at my aunt's 90th birthday in Elmira last year. She sat with my mom and my family to visit and it was lovely chatting about old times. My mom passed away that very week - how fitting that the wonderful woman who visited the sick so often was able to share one final visit.

May your many wonderful memories bring you comfort and peace at this difficult time - know that she is smiling down on you.

“ *My sympathy on your loss. My fondest memories of Nancy are from the 1980's when she was our 4H instructor with Velma. She would often pick up a bunch of us girls in an old pick-up on her way down 86 heading to Velma's house. We crammed in the cab of the truck and off we went. She was very patient and truly enjoyed working with us girls.*

I appreciate her dedication toward visiting the sick from the Hesson parish, even years after the church closed. She continued visiting Mom up to and including this year and would usually call to chat with me following a visit with Mom.

Once again, my sympathy. Rosemary (O'Grady) Pugh
