“ *So sorry to hear about Pat passing. We will miss her beautiful smile and laugh. I sometimes travelled with Pat to go to work in Stratford and will always remember her beeping and waving to us as she got to the corner in Topping! Pat was a real treasure! So sorry we could not attend her memorial.*

“ *I miss her laugh already. She was very kind and generous with me. She helped me move and made breakfast burgers for all of us! :) Just before she went into hospital she sent me a lovely email full of compliments and happy memories from her life. Love you lots Patsy! Big hugs!*

“ *Nobody could make any person crack a big smile like Patsie did. She inspired me to be me and was such an amazing "god mom". She is going to forever live in our hearts, because she had the biggest heart I know. I feel so blessed to have been able to spend the amount of time with her that I did.*
