“ *I was on the scene of the accident and stayed with Mr. McDonald, reassuring him and praying for him and with him. I didn't leave his side until he entered the helicopter for the trauma hospital. I am a Catholic Priest who is a Papal Missionary of Mercy for Pope Francis. I tried to do my best to pray; be present to him and also his friends.*

I wish i was able to be up with you all as you celebrate his life. Know however, that your husband, father and friend, was never left alone and was comforted in his last moments.
