“ *To the Gambriel family....My sincerest condolences in the loss of your Dad. I worked with him at the Hald-Norf Police Services for many years. He was always very friendly and always wearing a smile. We referred to him as "The Dick and Al Show" whenever we were trying to locate them. RIP Dick*

“ My deepest sympathy to Dick's family. I was fortunate to meet Dick this past Winter when he sang karaoke at a pub in Florida. He was the lead male singer or "Hoot" in our singing group , "The Can Am Hoots and Hooters". It was uncanny in that Dick knew several people that I did back in Simcoe and Delhi when he worked in the police service plus his late wife, Monique, had taught school in the hamlet where I grew up. He will be missed by many of his fiends there.
