“ I enjoyed Bob's friendship back in the 80's when he & his parents went to Grandview Baptist in Kitchener. I remember tubing with him at Elora Gouge and jumping off the cliffs at the Elora Quarry. I will never forget the Red VW Bug that he restored and was his pride and joy. I have never seen another Bug like it.
I pray that the Lord holds the family close during this time of sorrow and they look to him for comfort.
