

Robert John McFaddin

June 23, 1953 - December 21, 2023

McFaddin, Robert-Robert John McFaddin, aged 70, passed away suddenly at his home on December 21, 2023. Born on June 23, 1953, in Waterloo County, he resided and worked on the family farm in Wellesley Township. He worked briefly at Jones Feed Mill in Linwood before returning to the farm. He loved working with machinery, growing crops and raising livestock. Robert enjoyed researching new advances in farming, attending farm shows and ploughing matches. He always took many detours on his drives to monitor the progress of crops, or to simply observe and enjoy the changing countryside.

Robert was predeceased by his parents, Helen (Voll) McFaddin and Wilbert McFaddin. He will be dearly missed by his siblings, Deborah (James Kay) of Stratford, William (Corey) of Waterloo, Douglas of Cincinnati, Connie Gonsalves (Hammond) of London and James of R.R. 1 Millbank. In his role as uncle, Robert will be missed greatly by his nieces Sarah McFaddin (Jon) of Conestogo, Darcy McFaddin (Logan) of Halifax and his nephew Nathan Gonsalves of London.

Following cremation, friends and family are invited to attend visitations on Wednesday, January 3, at the Futher-Franklin Funeral Home, 1172 Henry Street, Wellesley between the hours of 2 - 4 and 7 – 9 p.m. Our family looks forward to honouring Robert's life by sharing special memories and stories. “ *My deepest sympathy to the entire McFadden family. Bob and I shared many conversations both when I worked at CIBC, including my time at the Millbank branch, and then later when I worked at Mornington Communications and he stopped in monthly to pay his bill. He spoke so well of all of you and the bond of family love was so evident. May the memories you hold in your heart bring you comfort and peace. RIP Bob.*

“ *We are so very sorry to hear of Bob's passing.*

I have fond memories of riding shotgun with Bob when he drove the bag truck at JFM. Unfortunately for Bob he had to both drive the truck and also provide the vast majority of the muscle to offload the bags, but he was always good spirited about it.

Bob was also a great photographer. In fact when we got married Bob took better pictures than the pro and to this day the only wedding picture on our mantel is the one that Bob took.

We have very fond memories of surprise jokes and visits with Bob and his brother when they toured the west.

Our sincerest condolences to Bob's family and friends.

When Bill & I first attended the University of Guelph in the summer of 1975 our families took turns picking us up for weekend visits. Bob was the driver for the McFaddin family, and I have fond memories of his curious questions, warm encouragement, and dry farmer wit. He clearly cared deeply his about family and his community. He took obvious pride in continuing the family farm legacy; keeping on top of the latest in modern farming methods & his JD tractor. While I haven't seen Bob in years, I'm glad he was able to live the country life he loved and had the close family connections he cared so much about. My condolences to his family and friends.
